Roof Lantern Measuring & Ordering Guide

For Korniche aluminium roof lanterns

Order the lantern to the EXTERNAL size of the upstand (kerb), measured outside face to outside face. This is the most important number on the order.

How to Measure

1	Build or check the upstand. It should be level, square, structurally sound and finished with the roof covering turned up its sides.
2	Measure the external length of the upstand at both ends and the external width at both ends. Use the smallest of each.
3	Measure both diagonals corner to corner. They should match within a few millimetres; if not, the upstand is out of square and needs correcting first.
4	Measure the upstand height above the finished roof. It must be high enough that water cannot pond against the lantern.
5	Choose the frame colour (outside and inside), the glass, and any options such as LED lighting.
6	No upstand yet? Send us the structural opening and roof build-up, and we will tell you the upstand size to build to.

Your Measurements

Location	Length (mm)	Width (mm)	Diagonal 1	Diagonal 2	Upstand height

Before You Order

- [ ] Upstand level and square (diagonals match)
- [ ] External upstand size written down, not the internal opening
- [ ] Glass chosen: solar control for south and west-facing roofs
- [ ] Frame colours outside and inside
- [ ] Access, people and safe lifting planned for the glass panes
- [ ] Roof boards for working on the flat roof: lanterns are not walk-on

How Ordering Works

1	Use the supply form on the product page, or log in to the trade portal if you have a trade account.
2	We check your sizes and specification and send a written quote (trade accounts get their trade price).
3	Approve the drawing or order confirmation. **Check every size, colour, handing and glass type.** Once it is in production it cannot be changed.
4	Pay the proforma invoice. We place the order and confirm the delivery or collection date.
5	Check everything on arrival and report any damage or shortage within 48 hours, with photos.

Not sure? Send photos and rough sizes with your enquiry and we will check before anything is made. Call 0118 995 2549 or email cwgwindowcraig@gmail.com.
